## Our Services

- 1 Foot Health Solutions is your local **total foot care center** that focuses on the health and wellness of your feet and ankles.
- 1 Foot Health Solutions staff are **trained specialists** to not only fit you properly, but to analyze your foot shape and problems to ensure that you are in the properly designed shoe to accommodate your feet and to provide the proper support and fit.
- 1 Inserts/insoles, therapeutic shoes, supportive running/walking shoes, diabetic shoes, lotions, creams, powders, compression hoes, socks, and more. **We will help you find the best shoe, combined with an accommodative shoe insert, that can put your feet in balance and, in turn, improve the alignment of the rest of your body.**
- 1 All Foot Health Solutions inventory is hand **selected and approved by the physicians** of Cumberland Foot and Ankle Center.
- 1 We spend approximately **30 to 45 minutes with our average client**. We are interested in you and will spend the time to do a thorough foot-fitting evaluation.
- 1 **3 Step Fitting Process:**
  1. Measure both feet on brannock device.
  2. Analyze gait cycle as you walk.
  3. Scan your feet with the Aetrex i-step.
